United States Embassy Skopje
Security Message for U.S. Citizens: Maintain Security Awareness
November 20, 2015

In the wake of the terrorist attacks in Paris on November 13, the U.S. Embassy in Skopje reminds U.S. citizens in Macedonia to review the [Worldwide Caution](#), which provides information on the continuing threat of terrorist actions and violence against U.S. citizens and interests throughout the world, including here in Macedonia.

Recent terrorist attacks, whether by those affiliated with terrorist entities, copycats, or individual perpetrators, serve as a reminder that U.S. citizens need to maintain a high level of vigilance and take appropriate steps to increase their security awareness, particularly in public gathering places such as pedestrian malls, shopping centers, restaurants, concert and sporting venues. If you observe unusual or suspicious behavior, contact the Macedonian Police at 192.
